Before assembling your new quality furniture please take a moment to read the following notices:

Note: Assemble this product on a non-abrasive surface, such as cardboard or fabric, to prevent damage to components.

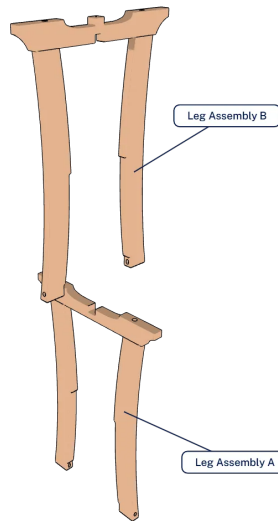

Warning: Using power tools may result in over-torquing screws causing threads to strip. We are not responsible for replacements of parts where power tools were used.

Care and Maintenance: To clean your product, use mild soap and water. For heavy soil build-ups use any non-abrasive household cleaner or ask your Sales Representative about Sister Bay Furniture Cleaner. Please contact our Customer Service Department for assembly assistance, questions or replacement parts at (800) 505-7926 or email support@sisterbayfurniture.com. Our Customer Service Department is available Monday-Friday 8:30 AM to 4:30 PM CST.
